RYECAT - Community Transport

RYECAT Ltd is a community transport company which tries to fill the gaps between public transport services; as a charity it makes no profit. It runs the Malton - Norton - Wolds Ring & Ride service, a project called Wheels2Work which hires mopeds to 16 - 25 year-olds who could otherwise not get to work, education or training. It also runs school transport and a few minibus services. Most important to people in Hovingham and Scackleton is the Ryedale Car Scheme. A Car Scheme driver will collect you from home, take you where you need to go (which might be a hospital or surgery, but does not have to be), bring you home again, having waited, if need be, for a couple of hours. All the passenger has to do is pay the driver for the fuel, at about 40p per mile.

Passengers do have to register with RYECAT first.

Sew Easy

In the spring of 2008, two local needlewomen thought it a good idea to form a group of like-minded ladies to meet on a regular basis and have self-help meetings where we could take our handiwork and exchange ideas on all forms of embroidery, patchwork, beadwork, lace-making, knitting and crochet. Thus "Sew Easy" was born and, two years later, we have 10 keen members. Meetings are held in the Community Room, Hovingham Village Hall, on the 2nd and 4th Monday of each month, 1.15-3.15pm.
